THE STORY

Kelli Kindel is a well-known entrepreneur in Denver, who owns and operates two highly successful businesses -- Kelli Kindel Events, Inc. and Rum Cakes By Kelli. Her love of rum cakes started over 25 years ago when she and her dear friend Joan began making their decadent rum cakes during the holidays as treats to give away to family and friends. Demand for these savory cakes grew so much, that Kelli and Joan began talking about starting a business together. Sadly, before these best friends were able to realize their dream of sharing their cakes with the world, Joan was diagnosed with pancreatic cancer and died shortly after. In honor of her beloved friend and baking buddy, Kelli carries on the tradition.
